

Visiting Committee Report
Chapter VIII – Student Committee

Student Committee

This report gives the students' perception of the school and whether the program is meeting their needs.

Commendations

The committee commends:

1. * The ESL teachers and students for the creation and support of an active student council which provides a formalized method for receiving student input which may assist staff in improving the educational program. (School Report, Chpt. VII, p. 1; Conferences with Staff and Students; Observation of Grounds; Student Council Minutes; WASC Criterion: Co-Curricular)

Recommendations

The committee recommends:

1. That administration and teachers seek ways to involve students from all programs in the student council process in order to establish ongoing communication and promote schoolwide improvement. (School Report, Chpt. VII, p. 8; Conferences with Staff and Students; Student Council Minutes; WASC Criterion: Co-Curricular)
2. That the school administration, staff, and students review the compiled results of the WASC student survey and input from student council meetings and investigate solutions to identified needs. (School Report, Chpt. VII, p. 7; Conferences with Students; WASC Study Survey; WASC Criterion: Co-Curricular)
